

Online Platform for Visitor Collection

In order to provide exhibitors with a more convenient way to collect visitors' information, an "Online Platform for Visitor Collection" is planned, which will provide exhibitors with a dedicated platform website to collect visitors' information at their booths.

STEP 1

Scan QR Code or entry platform. <scanning success> <Repeat scanning> <Wrong QR Code>

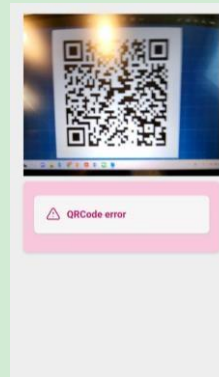

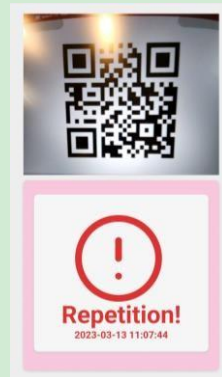

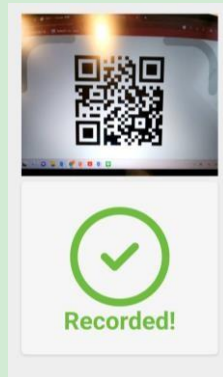

※ Please do not use LINE browser
※ Can be used by 15 people at the same time

STEP 2

Scan visitor's badge QR Code.

STEP 3

Showing scan result
